**MOTION FOR CHANGE OF BOND CONDITIONS**

Now comes Defendant Anming Hu and moves this Honorable Court to modify the bond conditions as set out herein.

The Government has indicated its willingness to entertain some modifications to bond conditions but has advised the Defendant to file a proper motion making the request.

Presently the Defendant is on home detention at his West Knoxville residence.

The Defendant is on an ankle monitor and cannot leave the house.

He depends on church members to come occasionally and provide groceries, take out the trash, pick up the mail and other services that the Defendant cannot accomplish himself, because he cannot leave his house.

The Defendant would request that he be allowed a few hours each week to go grocery shopping and also be allowed to check his mail at the end of his driveway, take out his trash and spend some time in the sunshine on his back porch.

The Defendant respectfully requests that the Probation Office and U.S. Attorney's Office and the Court discuss the possibility of these modifications and grant the relief requested.

Respectfully submitted this 22nd day of April, 2020.
